Search, print, email selections or share on social networking sites.

Thank you for visiting.

TIPS FOR USING YOUR DIGITAL EDITION

FOR YOUR DESKTOP:

- Turn the page by clicking the left and right arrows on the side of the page.
- Click the arrows or enter a page number at the bottom of the page to move immediately to the selected page.
- Zoom in on the page by clicking on it. Zoom in more by using the mouse’s scroll wheel. Move around the page by moving the mouse. Click once to exit zoom mode.
- Yellow links connect to other areas of the magazine or to websites that open in a new window.

FOR YOUR MOBILE DEVICE:

- Turn the page with swipe right or left gestures.
- Pinch in or out or double-tap to zoom.
- Tap yellow links to go to other areas of the magazine or to websites.
WHY WALLED LAKE SCHOOLS?
BECAUSE WE SERVE EVERY CHILD, EVERY DAY!

The Walled Lake Consolidated School District has distinguished itself as being on the “cutting edge” instructionally and technologically. Located in Oakland County, the District encompasses all and parts of nine municipalities including: the cities of Farmington Hills, Novi, Orchard Lake, Walled Lake and Wixom, and the townships of Commerce, West Bloomfield, White Lake and Wolverine Lake Village.

Walled Lake is open to Oakland County Schools of Choice, and applications are available in January. Please visit our website at wlcisd.org for more information.

All of the Walled Lake Schools tout extraordinary academic programs as well as a host of fine and performing arts and athletic opportunities.

The District lives and breathes its philosophy of **every child, every day**, which means vigilant collaboration with parents, staff and community, on behalf of our children. The Walled Lake Schools’ team works toward reaching every child, connecting with them, meeting their varying academic and social-emotional needs and encouraging and empowering them to reach their highest potential.

Core competencies in literacy (reading and writing), science, math and social studies are the focus at every academic level. The fine and performing arts are also offered at every level as well as physical education, competitive athletics and a plethora of other programs.

Every fifth-grader has the opportunity to have an extraordinary environmental science experience at the Walled Lake Schools’ Outdoor Education Center.

Our three high schools: Walled Lake Central, Northern and Western, provide a host of college and career readiness experiences for students. The International Baccalaureate (IB) Diploma Programme, offered at Walled Lake Western High School, is a rigorous, two-year program that provides 11th and 12th grade students with a challenging, educational experience.

All three high schools have exemplary band and orchestra programs as well as near-professional musical and dramatic productions. International experiences are offered to students at all three high schools.

Forging Prosperity
Navigating business success in a new decade

Lakes Area Chamber of Commerce champions nearly 500 members in business development. Chamber tools, advocacy, education and networking fuel a new decade of transformative progress.

“In 2020, we have a goal of making sure we are solid and are serving all areas of the Chamber—from small business to large manufacturers,” said Chamber Executive Director Laura Bolyard.

By fostering strong connections, the Chamber stimulates growth and opportunities. Events, emails, an updated website and social media keep members informed and in front of customers—helping enlarge their digital profiles. The diverse programming addresses today’s modern companies.

For example, the Chamber expands professional horizons of those aged 21-40 through an active Young Professional Group. The Government Affairs Committee tackles policy issues from a member perspective. Sponsorship of the West Oakland Regional Job Fair keeps the talent pipeline flowing into regional businesses. Twice yearly, Member Orientation Breakfasts introduce new members to the many rewards of Chamber membership.

“We develop and maintain close relationships with our members to help them do the same with each other, customers and clients,” Bolyard said. “The Lakes area thrives because of our connections.”

The Chamber is honored to help fulfill the mission and goals of new and long-time members and, in the process, help shape a vibrant future for all.

West Bloomfield Parks
4640 Walnut Lake Rd., West Bloomfield
(248) 451-1900 | www.wbparks.org
12 area parks and facilities and more than 500 acres of land offering recreation options for children, families and seniors.

Wixom Habitat Park
1199 Wixom Rd., Wixom
(248) 624-2850 | www.wixomgov.org
A nearly 200-acre nature preserve featuring a variety of flora and fauna, lakeside viewing platform, 800-foot boardwalk and pathways connecting to city bike paths.

Possibilities for Play
Make it a great day in the Lakes area
From parklands to concert stages, Lakes area recreation offers fun and leisure for people of all ages and abilities. Thousands of acres of parks, dozens of lakes and miles of trails set the stage for community events, recreational programming, sports leagues and enrichment classes.

The $1.1 million Scarlet’s Playground in Commerce Township opens in spring of 2020. Funded by grants and donations, the barrier-free playground spans 18,600 square feet—making it the largest ramped, inclusive playground in the Midwest.

So, whether you’re heading to Scarlet’s Playground, bringing friends for a bike ride on the trails or taking time for a paddle, let the Lakes area be the place where you have fun and build memories.
Frontrunners
Fostering future-ready talent through learning

Across the region, Lakes area schools provide students with the latest technology and innovative curriculum to support 21st Century talents. High standards of excellence, strong community involvement and higher education opportunities help equip young people for fulfilling futures.

In 2019, voters in the Walled Lake Consolidated Schools district approved a $316 million bond issue, the third largest school bond in Michigan history. The 30-year bond covers building and infrastructure needs, a new early childhood center and extensive building upgrades, including a new high school robotics lab.

The district educates 13,600 students from Walled Lake, Wixom, White Lake Township, Wolverine Lake Village, Commerce Township, Farmington Hills, Novi, Orchard Lake and West Bloomfield Township.

Also, in 2019, voters within the Huron Valley Schools district approved a 10-year $182 million bond for upgrades that include school safety and security, program enhancement, operational efficiencies and technology. A building site sinking fund for real estate purchase and building repairs is also being established with voter support.

The district educates 9,100 students from Commerce, Highland, White Lake and Milford townships and the Village of Milford. White Lake is home to the International Academy West Campus, the first all International Baccalaureate Diploma Program public high school in North America.

Waterford School District also operates within a culture of improvements. A $100 million bond approved in 2016 is providing funds in 2020 for renovations at two elementary schools and the early childhood center, technology improvements and equipment upgrades. Multiyear improvements benefit the district’s 8,500 students from Waterford, White Lake, West Bloomfield and Lake Angelus.

High expectations across the district fuel outstanding student achievement in academics, sports and arts.

Oakland Schools Technical Campus at Wixom fosters skilled, work-ready individuals. Students may earn high school and college credits and benefit from work-based learning opportunities. Thirteen programs train students in fields ranging from agriscience to entrepreneurship and welding. The campus is the only high school in Michigan to possess a National Institute for Metalworking Skills (NIMS) certification.

Nearby colleges and universities open additional doors of opportunity for area graduates.

Lakes area education systems forge excellence in learning through pre-K, K-12, adult and community education, traditional and cutting-edge programs. One student at a time a workforce is being prepared to meet global challenges.
Charter Township of Commerce
EMBRACING GROWTH
Investment generates dynamic opportunities

As Commerce Township enters a new decade, public and private investment is resulting in business and residential growth. Emerging opportunities, low tax rates, excellent schools, access to outdoor recreation and metropolitan resources create the township’s desirable quality of life within a safe environment. Commerce ranks as Michigan’s 4th Safest Community with a population of 25,000 or above.

A catalyst for business growth is the $100 million upscale Five & Main “lifestyle center” located at the corner of Pontiac Trail and M-5. The 30-acre mixed-use retail project establishes a walkable town center where none previously existed. The center will host local, regional and national shops, restaurants and entertainment venues. Planned amenities include public gathering places, play areas, public art, open-air dining, a farmers market and events. Construction also gets underway in 2020 on 300 two- and three-bedroom townhomes to support growth.

Commerce Township offers an attractive balance of urban features and green space. Natural amenities include the Huron River, 28 lakes, more than 1,200 acres of township parks—plus Proud Lake Recreation Area. The newly unveiled $6 million M-5 Pedestrian Bridge connects two segments of the Michigan Air Line Trail for safe on-foot passage over the highway. The multimillion-dollar rail-trail links the township to Wixom and Walled Lake. Nearly 50 percent of the pathway stretches through Commerce Township. A 5.5-mile segment of the paved trail opens in 2020. Another 2.2-mile section is scheduled for completion in 2021. Michigan Air Line Trail is an important part of the Great Lake cross-state trail that, when complete, will stretch from Port Huron to South Haven.

New opportunities for business and pleasure, a responsive government and some of Southeast Michigan’s finest natural assets lead Commerce Township into a decade of robust growth and prosperity.

City of Walled Lake
CLASSIC CHARACTER
Easy living meets natural beauty

The City of Walled Lake is named after the big lake and is the founding community of the Lakes area. Steeped in history and serene beauty, Walled Lake offers easy living, friendly neighbors and an affordable housing market. Located at the confluence of major highways I-96, M-59, and U.S. 23, Walled Lake residents enjoy the comforts of small-town life as well as quick access to metro amenities.

The community has recently been awarded four grants totaling $1.2 million. The grants are being used to improve Mercer Beach and area roads for the thriving waterfront community and its walkable commercial district with quaint shops and restaurants. The beach’s sandy shores along the 670-acre Walled Lake are a hub for community recreation and celebrations, like the Farmers Market and annual Beach Party and Fireworks. Additional city parks include Marshall Taylor, Pratt, Riley and Veterans parks—rich in space to picnic and play.

The new Michigan Air Line Trail is a joint project linking Walled Lake, Commerce Township and Wixom. The trail is a key segment of the Great Lake to Lake cross-state recreational trail. The paved trail welcomes residents and visitors to get out and get moving. With further improvements in mind, the city is looking to build a bridge and create a new trailhead at its public safety campus. The “off” ramp will give users increased opportunities to experience Walled Lake.

Beyond the beauty, the city also offers manufacturing, retail and health services. Walled Lake government leadership is forging a bright future by streamlining development services, supporting existing business and aiding in business reinvestment and development. The innovative, efficient and development ready Walled Lake thoughtfully accommodates growth while preserving its quiet, up-scale ambiance and natural beauty.
Waterford Township
MODERN PARADISE
Growing through redevelopment

Aptly nicknamed Lakeland Paradise for its 34 lakes, Waterford Township exemplifies the economic power of redevelopment. A major commercial project is expected to reinvigorate the township’s economy and establish a prosperous course for the future.

The recent demolition of the long-vacant Summit Place Mall makes way for a new business center consisting of 1 million square feet for light industrial, engineering firms, offices and flex-space. Known as the Summit 327 LLC project, the endeavor is expected to attract more than $63 million in capital investment and support more than 2,000 jobs. Construction begins mid-2020.

Waterford lies only 45 minutes from Detroit, affording easy access to Midwestern and Canadian markets. It’s home to Oakland County International Airport, the nation’s 12th busiest general aviation airport. More than 150 different corporations base aircraft at the airport, which provides air connections to domestic and foreign destinations.

Additions to the township’s public safety staff, police, fire and Department of Public Works provides enhanced protection for residents and business.

New housing developments offer families, professionals and entrepreneurs modern living options, while Waterford’s historic district features classic homes and business space.

Two state parks, 14 township parks and about 50 miles of bike paths offer outdoor adventures in every season. The final 800 feet of the scenic Waterford RiverWalk along the Clinton River was completed in 2019, expanding options for leisure activities, which includes the community’s annual RiverWalk Fest.

From redevelopment to resource enhancements, progress continues to set Waterford Township apart as a modern, growing community.

White Lake Township
EVOLVING BY DESIGN
New assets and timeless recreation options

“Four Seasons Playground” is a more than a catchy signature for White Lake Township. It’s an idea woven into the township’s identity. White Lake is dedicated to balancing its urban amenities and growing population with its prized natural assets.

Across the township, woods, wetlands, wildlife, 21 named lakes and more than 6,000 acres of parkland creates unlimited options for outdoor activities. Parks, three major state recreation areas and privately-owned venues offer infrastructure for year-round recreation. A recent acquisition of 57 acres preserves valuable open space at Brendel Lake. The new Stanley Park is funded by the Michigan Department of Natural Resources with a 25 percent local match. The $1.8 million land purchase makes possible new trail activities, picnics and possibly a future dog park.

White Lake has a new gem with the addition of a new $8.6 million library. Plans are underway to construct a public safety building to house the police station and Fire Station #1.

The township’s appealing assets attract families, empty-nesters and singles. Hundreds of new housing units ranging from lake homes, rural estates, apartments and condominiums make way for newcomers.

More than 600 companies, including large corporations and national retailers, contribute to the township’s economic strength, while commercial development along M-59 adds to the robust environment.

With room to grow, dedication to thoughtful development and a proactive government, White Lake Township has a bright future.
**City of Wixom**

**SMALL TOWN, BOLD VISION**

Going big on redevelopment

The forward-thinking City of Wixom paves the way for growth through progressive economic development programs. It participates in Oakland County’s initiatives attracting and retaining companies, including One Stop Ready, One Stop Shop Business Center and Tech248, the area’s link to technology talent and resources.

Wixom is also on its way to achieving Michigan Economic Development Corporation certification as a Redevelopment Ready Community.

More than 700 companies make up Wixom’s industrial and commercial base. The $150 million capital investment in redevelopment of the Ford Wixom Plant property reactivates the site vacated in 2007. Plans call for the Detroit Wixom LLC project to construct up to seven buildings totaling 1.6 million square feet of commercial/industrial space. The project is expected to create about 850 jobs. Completion is targeted for 2021.

Situated along the I-96 corridor in Southwest Oakland County, Wixom provides efficient connections to domestic and international markets for business and pleasure, while affording residents a friendly, walkable downtown, mixed-use housing, community events and access to premier parks and trails. Work commences in 2020 on a 2.2-mile segment of the Michigan Air Line Trail. Owned and administrated by the Commerce, Walled Lake and Wixom Trailway Management Council, the new segment completes the trail joining the three communities to the Great Lake to Lake cross-state trail.

Wixom’s welcoming and pro-business environment sets it apart as a town with big ideas and the muscle to make things happen.

---

**Wolverine Lake Village**

**A LIFESTYLE TO LOVE**

Lake activities, friendly neighbors and fun events

The spirited Wolverine Lake Village represents the best in Michigan small town living. While only 1.6 miles in size, its boundaries are packed with outdoor recreation options, natural beauty and urban amenities.

The 265-acre Wolverine Lake sits at the heart of the safe, close-knit community. More than 90 percent of the village is residential property with single-family homes dominating the market. In 2019, upgrades to Clara Miller, Amenia and Oak Island Parks enhanced outdoor experiences. Little libraries added to Miller and Amenia parks and the Vita Trail mix nature and literacy pleasures.

Situated within Commerce Township, the Village benefits from township fire protection services and operates its own police department and marine patrol. Residents find a broad range of commercial services and shopping options at surrounding communities.

Wolverine Lake is the Village’s unofficial “Main Street.” Here, residents and visitors play and celebrate. Thousands gather to view tiki candles lighting up the lakeshore during summer’s annual Tiki Night fest. Other events are the Village Festival and Com Roast, the Annual Fishing Contest, Tuesdays in the Park, a Village-wide Garage Sale and the Packing Party for the Troops.

Involved citizens, friendly government administrative services and neighborly warmth make Wolverine Lake a desirable community to call home.
One of Oakland County’s largest bodies of water, the 465-acre Union Lake serves as the hub of the unincorporated community named for this all-sports lake. Larger colonial, contemporary, Cape Cods and ranches surround the shoreline inspiring active waterfront lifestyles.

The community’s business district lies along the Union Lake and Cooley Lake traffic corridors of four townships, Waterford, White Lake, Commerce and West Bloomfield. In the 1980s, a Lakes Area Chamber of Commerce initiative unified the district with common zoning and sign ordinances.

Union Lake Shores Association guides the community in water preservation and other issues relevant to community wellbeing and promotes neighborhood connections. The nonprofit organization joins residents in celebration through annual events, including the Union Lake Fireworks show, lighted pontoon parade and Caroling Around the Lake with Santa.

Michigan Department of Natural Resources unveils a new Union Lake boat launch in time for summer 2020 boating. The launch located at the northeast corner of Wise and Union Lake roads improves Union Lake public access and safety.

Bank has a convenient and flexible solution. For new and used vehicles and marine craft, we offer secured and unsecured loans, financing personal loans and recreational vehicles and educational loans.

Whether you are looking for the perfect checking or savings account, a solution for managing bills or planning for a personal loan, Main Street Bank also offers credit cards, Visa® gift cards, and a wide range of personal banking solutions.

Personal Banking Solutions

- Online Banking & Bill Pay
- Mobile Banking
- E-statements
- Safe Deposit Boxes
- ATMs at multiple locations

Convenience and ease-of-use is standard with our online banking, 24/7. You can bank online anytime at www.mainstreetbankmi.com.

Free mobile banking gives you access wherever you need it with a web-enabled device. Save a trip to the branch by depositing your checks directly from your web-enabled device.

Contact one of our bankers at our financial center today. Ask about our residential mortgage program and learn how we can help you achieve your financial goals.

As your neighbors and fellow chamber members, we know the area, market and business environment which allows us to make decisions locally and quickly. We're dedicated to offering solutions that make it easier for you to focus on growing your business.

Contact one of our bankers at our financial center today. Ask about our residential mortgage program and learn how we can help you achieve your financial goals.

Here for business? So are we.

- Skilled Trades Talent
- Professional Development
- Career-Ready Graduates

OAKLAND COMMUNITY COLLEGE

Chairlifts
The Neighborhoods of White Lake introduces an alternative to traditional nursing home care. We work closely with families to ensure they remain part of their loved ones’ lives and help adjust to changes as they age. Life’s needs may change, but home doesn’t have to.

10770 Elizabeth Lake Road
White Lake Township, MI 48386
